N. B. All the ACTS of this Session marked thus [ \*\* ] were confirmed by the Lord Proprietary, by an Instrument under his Hand and Seal, dated the 6th August 1650. And are Recorded in the Land-Office, Lib. N<sup>o</sup> 2, from fol. 490, to fol. 505, and in the Council Book, fol. 354, to 372.

It appears, from the enacting Stile of these Laws, viz. *By the Lord Proprietary, with the Assent and Approbation of the Upper and Lower Houses, &c.* that the Assembly was then actually divided into Two distinct and separate Houses. But how the same was effected does not appear, there being no Record extant of any Proceedings of this Assembly, except those of their last Day of sitting to receive the Report of the Committee for settling the public Charge, and of a Letter from the Assembly to his Lordship. That it was at the Desire of the Freemen is probable, from their former Application to that Purpose, on the 18th July 1642, in the following Words, viz.

“ ROBERT VAUGHAN, in the Name of the Rest, desired that the House might be separated, and the Burgesses to be by themselves, and to have a Negative. But was not Granted by the Lieutenant-General.”

Acts and Orders, enacted, made and ordered, by WILLIAM STONE, Esq; Governor, with the Consent of the Upper and Lower Houses of ASSEMBLY, at a General Session thereof, begun the 6th and ended the 29th Day of April 1650.

N. B. To this Assembly, Burgesses were sent as Delegates or Representatives of the Freemen of the several Hundreds, there being then only Two Counties, viz. *St. Mary's*, and the *Iste of Kent County*; that Part of the Province, then called *Providence*, being erected into a County, by the Name of *Ann-Arundel*, this present Session, ch. 8.

The Number of Delegates were Fourteen, viz.
