The committee to whom was referred the petition of sundry persons, inhabitants of Anne-Arundel county and city of Annapolis, praying to be allowed a pension by a levy on said county and city for their support, have had their several applications under consideration, and are of opinion, that from the large number already provided for in that way, the annual levy for whom amounts to the enormous sum of \$2700, and the increasing expenses for the support of the poor of the county, and believing that the amount of levy already made would support an additional number in the poor's house, and being of opinion that considerable injury arises from the practice of increasing out pensioners, thereby diminishing the personal exertions of many persons unfortunately placed in indigent circumstances. Your committee unanimously are of opinion, that the prayer of the petitioners ought not to be granted, and that they have leave to withdraw their petitions.
