**The Time**

Hood's Sarsaparilla is the best blood purifier for the public. It eradicates scrofula and all humors, cures salt rheum, eczema, pimples, etc. The severest cases of blood poisoning have yielded to its superior curative power.

"This is to certify that I have used Hood's Sarsaparilla in my family for some time past and have found it to be a good blood purifier. It has been of great benefit as recommended and I have no hesitation in recommending it to all who are in want of any medicine of the kind."—ROBERT A. SMITH, Justice of the Peace, Honesdale, Pa.

**Hood's Sarsaparilla**

"For a first-class Spring medicine my wife and I think very highly of Hood's Sarsaparilla. We both took it last spring. It did us a great deal of good and we felt better through the hot weather than ever before. It cured my wife of sick headache, from which she has suffered a great deal, and relieved me of a dizzy, tired feeling. I think every one ought to take something to purify the blood before the hot weather comes on."—J. H. FRASER, Sup't. Granite Ry. Co., Concord, N. H.

We offer you all the inducements that a merchant can ask in the purchase of his goods. We sell our goods at a small margin above cost, no matter how cheap we may buy them; and as we buy nothing that would not be considered cheap under any circumstances, you can readily see we offer you rare bargains. Many persons are unbelieving. They ask "How can we sell cheaper than anybody else?" That argument is easily answered. We are energetic pushing and wide awake. We never buy damaged or shopworn goods. People advertise in many ways but the best advertisement of all is low prices. Our whirlwind scatters high prices. The young and old, the rich and poor, the sober and gay, will be sure to find something in our stock to please them. The more we sell the lower we make our prices. In addition to low prices we aim to give the best possible service and accommodation. We cordially invite you to call and inspect our stock, which we think contains what you want.
