SATURDAY, AUGUST 28, 1897.

The police authorities of Washington, the bicycle city of the United States, have dealt a death blow to the obnoxious low handle bars and humpbacked scorches. They have made a rule that riders shall ride with their heads up. Look where you are going and always go to the right.

Compare 18 months of Republican rule with 28 years of Democratic supremacy in Maryland, and you will find more crookedness, rottenness and corruption in that short period than in all the years of Democratic government. It is the same old Republican party that was driven from power in 1868 by an indignant and outraged people. The leopard has not changed his spots.

If a man has a \$50 bull pup, he looks after it carefully will not let it run around at night all over town. But if he has a boy it is different. He is turned loose at a tender age to the devil, and then the people wonder where the great army of tramps, bums, deadbeats, loafers, drinkers, gamblers and sots come from each decade. They are germinated from the pure seed, gathered from our homes and sown broadcast upon our streets and alleys. It may be that your boy is making a growth in that direction. At all events the boy ought to be given equal showing with the bull pup.

**PROCLAMATION.**

WHEREAS AT THE JANUARY SESSION IN THE YEAR EIGHTEEN HUNDRED AND NINETY-SIX OF THE GENERAL ASSEMBLY OF MARYLAND A BILL WAS PASSED PROPOSING AN AMENDMENT TO THE CONSTITUTION OF THE STATE BY ADDING AN ADDITIONAL SECTION TO ARTICLE FIFTEEN THEREOF, THE BILL BEING KNOWN AS SECTION ELEVEN OF SAID ARTICLE, WHICH SAID BILL AND AMENDMENT ARE IN THE WORDS FOLLOWING, TO WIT:

SECTION 1. Be it enacted by the General Assembly of Maryland, (three fifths of all the members of the House concurring), That the following additional section be, and the same heretofore proposed as an amendment to the Constitution of this State; and, if adopted by the legal and qualified voters thereof as herein provided, it shall stand and be known as Section eleven, of Article fifteen of said Constitution:

11. Appointments in the Civil service of the State, in the municipalities and offices of the State, shall be made according to merit and fitness, to be ascertained as far as practicable by examination, which shall be competitive, except appointments which are subject to confirmation by the Senate, and the General Assembly shall pass all such laws as may be necessary more fully to carry into effect the provisions of this section.

SECTION 2. And be it further enacted by the authority aforesaid, That the foregoing section, hereby proposed as an amendment to the Constitution of this State shall be, at the next general election held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article fourteen of the Constitution of this State and at the said general election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot used at such election shall be printed, after the lists of candidates, the question concerning the adoption or rejection of said proposed constitutional amendment, so that each voter at such election can designate thereon in the manner prescribed by law, whether his vote is "For the Constitutional Amendment," or "Against the Constitutional Amendment" as he shall elect, and immediately after said election the return shall be to the Governor of the State of the vote for and against said proposed amendment, as directed by said fourteenth article of the Constitution.

Approved, April 4th, 1897.  
Now, therefore, I, LLOYD LOWNDES, Governor of the State of Maryland, in pursuance of the provisions of Section one of Article fourteen of the Constitution of the State, do hereby order and direct that a copy of said bill proposing said constitutional amendment be published in at least two newspapers in each county, where so many may be published, and where not more than one may be published, then in that newspaper, and in three newspapers in the city of Baltimore, one of which shall be in the German language, once a week for at least three months preceding the next ensuing general election, (which said general election will be held on Tuesday, the second day of November, eighteen hundred and ninety-seven), at which election the said proposed amendment shall be submitted in the form and manner prescribed by the General Assembly, to the qualified voters of the State for adoption or rejection.

Given under my hand and the Great Seal of Maryland, at the city of Annapolis on the first day of July in the year of Lord eighteen hundred and ninety-seven.  
LLOYD LOWNDES,  
Governor of Maryland.

By order of the Governor,  
RICHARD DALLAM,  
Secretary of State.
