Sole Importer: Firm of ANDREAS SAXLEHNER, 130 Fulton St., N. Y.

What suffering frequently results rom a mother's ignorance; or more frequently from a mother's neglect to properly instruct her daughter!

Tradition says "woman must suffer," and young women are so taught. There is a little truth and a great deal of exaggeration in this. If a young especially chic. woman suffers severely she needs treatment, and her mother should see Short Walking Skirts.

that she gets it. Many mothers hesitate to take their Many mothers hesitate to take their daughters to a physician for examination; but no mother need hesitate to write freely about her daughter or herself to Mrs. Pinkham and secure the most efficient advice without charge. Mrs. Pinkham's address is Lynn, Mass.

Byron, Wis., mother of the young lady whose portrait we here publish, wrote Mrs. Pinkham in January, 1899, saying her daughter had suffered for two her daughter had suffered for two years with irregular menstruation—had headache all the time, and pain in her side, feet swell, and was generally miserable. Mrs. Pinkham promptly replied with advice, and under date of March, 1899, the mother writes again that Lydia E. Pinkham's Vegetable Compound cured her daughter of all pains and irregularity.

Nothing in the world equals Mrs. Pinkham's great medicine for regulating woman's peculiar monthly

lating woman's peculiar monthly troubles. Domestic Animals. It is interesting to learn from the last census that there are about one-third as many barns or other inclosures reporting domestic animals as there are farms in all our domain, that is, that there are nearly 2,000,000 such shelters of creatives which

helters of creatures which serve mankind, apart from farms and ranges. There are nearly 2,000,000 horses in nonrural possessions in the land, and of these 121,128 are in New York city; Chicago has 71,183 of them; Philadelphia, 45,819; St. Louis and Boston company, with 27,624 and 25,225. lext, with 27,624 and 25,225 horses

next, with 27,624 and 25,225 horses aplece, and none of the other large cities have 20,009 horses.

There are 162,115 mules employed for pleasure or profit in the United States. New York has only 600 of these, and Chicago about the same, while New Orleans uses 2420, and St. Louis, Baltimore and Kansas City count them in four figures also. Among all the cities of over 100,000 inhabitants, New York has the greatest number of asses, and, excepting Chicago, the greatest number of goats. Chicago's swine, however, are 25,000 times as numerous, for those at the stock yards on a given

The newest short walking skirts have the facing of the cloth and stitchlng as in the past, but the latter, in stend of being a half-inch apart and the full depth of the facing, are set in two groups and quite close together. the lowest row being several inches from the bottom of the skirt. This olves a better effect.—Harper's Bazar.

One of the best and simplest por ders for the face is composed of finelysifted corn flour, scented with a very little powdered orris root. Pure starch or rice powder may also be used quite fearlessly. Powder should be lightly dusted over the skin with a wansdown puff, not rubbed into the porcs. Face powder should be care removed from the skin every night with soap and water, otherwise it is apt to prove injurious by preventing the perfectly free action of the

Regarding the Pearl Jewelry experts say that pearls are steadily increasing in price, costing rom two to three times as much as ourlty of color. The perfectly round orm is the most valuable, the pear shaped is next and the oval third. The lustre, or "orient," is to the pearl what brilliancy is to the diamond, and the color must be decided in tint. A little esteemed, but a decided black pink or yellow pearl is more valuable than a white, black being the most valned. The black, so called, is really a deep gray. Pearls of rough surface and uneven shape formerly were dis-carded as worthless, but lately they under the name of baroque

Occupations Open to Women. Within the last fifteen years schools have sprung up all over the country for the education of women-educamanners and customs of the natives in tion both of a general and a special na ture-and now a girl chooses a vocation and fits herself for it with as much care as her brother gives to the preparation for his life-work. But these, I believe, are in the main what may be called "new occupations." Fifty years ago there were but seven forms of employment open to women-teaching, needlework, work in cotton mills, keeping boarders, typesetting bookbinding and household service.

this great 'to-day' of their own and the world's age is the temptation to been read. restlessness, whether in curlosity, pleasure or pride. I want them all to e earnestly, thoroughly thoughtfully ntelligent of what is close to them ind under their care-happy not in one day as the happiest of their lives, but in the daily current of their time; and proud in rightly doing whatever they are called upon-not by fame, but by love-to do for any who love them. for all who are dependent upon them."

Weary Women Get Strength and Vigor from Dr. Greene's Nervura.

HE had planned to go out with her husband, but her strength failed her.

Her nerves were excited all day, and when night came she just couldn't find the courage. It is the old story of weakness and nervousness taking the pleasure out of life and filling it with discontent and suffering. It is not honest fatigue resulting from the daily task; it is weariness born of weakness and ill health.

The ideal strengthener for weak women is Dr. Greene's Nervura blood and nerve remedy. It builds them up in every way by toning up the blood and strengthening the nerves. Nothing else in the world can do Nervura's work. It seeks out the weak spots and strengthens them. It en-

when they are worked on him.

riches the blood and gives it a healthy circulation, thus putting new life into the entire body. Strength to overcome the general discouragement is followed by the ambition to be well. A few nights of sound, refreshing sleep brings a new sensation of acquired strength. How ready now is this woman for every duty and every plan for pleasure! The Dr. Greene's NERVURA of the vegetable ele-FOR THE BLOOD AND

NERVES. woman is now a cured woman, and such transformations are occurring in every community through the use of Dr. Greene's Nervura. If you are run-down and discouraged, here is the certain help.

MRS. OLIVER WILSON, of Northboro. Mass., says: "I was suffering from norvous ness, caused by female weakness and nervous prostration. I was so nervous and weak I could not go up a common pair of stairs without stopping fo rest, and troubled to sleep at night. I took Dr. Greene's Nervura and have obtained my old elastic step around the house. After creeping around for two years, hardly able to do anything it has proved a boon to me truly."

READ DR. GREENE'S OFFER.

Dr. Greene's advice is free to all who seek it, free to all who seek it, either by personal call at his office, 35 W. 14th Street, New York City, or by letter through the mall. All who are broken in health should call or write without delay to Nervura's discoverer for Iree counsel.
