DELEGATIONS NAMED.

The Second, Fourth and Sixth Districts Have But One.—Big Fight in Others.

Every district in the county was well represented in Centreville, Tuesday and the coming primary fight, as well as the different candidates, were the discussions of the day. The lines of battle are now well defined in the districts where war is being waged. Three districts out of the seven however, will have but one delegation. These are the Second, Fourth and Sixth. There will be a fight in the remaining four districts and this is the way each district will line up:

Opening of the Casino, Rehoboth.

The opening of the Casino at Rehoboth on Saturday was a most enjoyable affair. A number of newspaper men, the Citizens' Band, of Denton, and many friends of the Queen Anne's Railroad officials were guests at supper and during the evening. An excursion was run over the railroad, carrying numerous excursionists and the band. Many prominent Baltimoreans were also present and an orchestra from that city. The Casino has been greatly improved since last year, many rooms having been added and all are furnished neatly and comfortably. Mr. A. G. House is in charge, assisted by Mr. Robert Vanston in the management, and both are untiring in their efforts to provide every comfort for their guests. The dining hall was handsomely decorated with cut flowers and laurel blossoms, the beauty of which was only surpassed by the excellence of the menu served at dinner. About 9 o'clock the dining hall was cleared of tables and the orchestra, under Professor Packard, struck up a lively two-step. Mr. Thomas F. McNulty, of Baltimore, the noted campaign singer, favored those present with a number of songs during the intermissions between the dances.

Bishop Monaghan to Preach, July 7.
