

as to be placed in the worst. I will move the following resolution.

"Resolved, That a committee of — members be appointed by the Chair to arrange the seats appropriate to the several delegations, so as to enable the delegates from each county to occupy contiguous chairs."

Mr. NEGLEY moved to add the following amendment:

"Provided, That the delegations of the several counties who are contiguously seated, be exempted from the operation of the resolution."

Mr. CHAMBERS. Of course that defeats the purpose of the resolution.

Mr. TODD. As one separated from the delegation of his county, I move that the whole subject be postponed until after a permanent organization. I am informed by officers of the house that a different arrangement of the seats will be made immediately after the adjournment to-day.

The motion was agreed to.

PERMANENT PRESIDENT.

Mr. DANIEL moved to proceed to the election *viva voce* of a permanent President of the Convention.

The motion was agreed to.

Mr. STIRLING nominated for President, Henry H. Goldsborough of Talbot county.

Mr. CLARKS nominated E. F. Chambers.

Mr. CHAMBERS. I hope the gentleman will not persist in that nomination. If so unlikely a thing should occur as that the body should adopt the nomination made by my friend, I should be compelled to plead physical infirmity. I am among the oldest men here; and I should be very unwilling to accept a nomination.

The Convention proceeded to vote *viva voce* for President, and five members had voted when

Mr. CHAMBERS remarked that there being but one name before the Convention, it would save much time to elect by resolution.

Mr. HEBB objected that the calling of the roll having been commenced it could not be suspended.

The CHAIRMAN sustained the point of order.
