Hereafter no original certificate of survey or resurvey under a warrant shall be received in the land office, unless passed by the examiner-general, and returned to the said office before the 1 day of July next, or within 18 months from the date of the warrant; and in case any order hath been made for the correction of any certificate of survey or resurvey under a warrant, the corrected certificate shall not be received into the land office, unless passed by the examiner (if necessary,) and returned before the 1 day of Jan. 1797; and in case any order shall hereafter be made for the correction of any certificate as aforesaid, the corrected certificate shall not be received, unless passed by the examiner, (if necessary,) and returned within 9 months from the date of the order, but nothing in this act contained shall be so construed as to extend the time within which a survey or resurvey under a warrant may be made.—1795, c. 88, § 7.
