

That severall Ships and Vessells have
carried great quantities of the Enumerated
Plantation Goods from Our Colonies and
Plantations to Scotland, Hambourg -
and other places, without first Landing
the same in England (as the Law in that
case hath provided) to the great prejudice
of Our Customs, and the Trade and Navigation
of this Our Kingdom, nor preventing the like
Frauds for the future (as much as in Us-
eyes) you are every year or oftener a -
occasion to send a List of all such Ships -
or Vessells as shall Lade any of the -
Enumerated Plantation Commodities within
Our Province of Maryland, or Import any
European Goods (according to the former
herewith delivered you) to the Commissioners
of Our Customs in England for the time -
being at the Custom house of London.

4. Whereas We have been informed that
there are a considerable number of Bonds
taken in Our Province of Maryland from
Masters -
