

Loss above mentioned and pay Freight and Assurance, or Lose by Conversion
This Money in the Country into Bills of Exchange sent at Least - £ 6: 1:
To avoid these Disadvantages my Agent must give positive Orders to the Receivers
of every Branch of my Revenue payable in Sterling Money, that when they
receive Foreign Gold no more be allowed for it than the Intrinsick Value which
is 3 Ounce of such as is cut into Small Bits - - - - - £ 3: 10: 0
because Great Frauds have been discovered by passing Bits of Brass &c.
for Gold whereby very cautious People have been imposed on -

2 A Great Number of People having Obtained Escheat Warrants
Special and Common Warrants, out of my Land Office and made Surveys which
have been returned and Laysn some 5 some 10 and not a few 20 Nay 30 years
in the Office, without taking out any Patent, or paying me one penny -
The the lands have been always held by Virtue of the Surveys made in pursuance
of these Warrants, and would were it not for these Surveys have been taken up
by others and paid for; In all these Cases my Agent must Insist upon the
Common Interest of the Money which I have been thus kept out of, and
take the Interest accordingly as he must also for Surplus Lands as within
the Reason and Equity -

3 Having given Instructions to give the Preemption and one
and one third part of the Value of Escheat Lands to Discoverers for their
Encouragement, when ever therefore any such Discoverys shall be made
which undoubtedly will be frequent, The Agent must Enter Reserves for
in Order to save the Money which a Discoverer would be Intituled to and
must be punctually Observed by all future Agents -
