

sitting should have reward, 'tis therefore my earnest
 Desire that a Salary of £ 450-^p annum to be settled
 upon him for this service, and it cannot be unreasonable
 that the same should be made good to my Uncle out of
 the Profits of such Offices of Government, as will best
 bear it. As to Mr Jennings my Under Deputy, I am
 sensible their office will not bear an Extract as to each
 Particular, touching such Payments; also am Desirous
 all due and proper regard and consideration be had for his
 faithful services, therefore I hope the following Distri-
 butions to the Payment of the afore said Salary will not
 fail to meet with Approbation and Acceptance. vizt

From Your self as Governor.	£ 200. ^p Ann.
From Mr Jennings as Deputy Secretary.	50. 80
From the Commissary General.	100. 80
From the Land Office.	100. 80
	£ 450. ^p Ann.

I rely on your immediate Performance, and the
 Gentlemen in the said several offices compliance there-
 with, of which you will take care of in favour of my
 Uncle, and to have his said Salary to settled as to be paid
 him by half Yearly Payments, of which you will give him
 notice, which will be greatly Esteemed amongst the rest
 of your Services By

your Proprietor and
 Affectionate Friend
 Baltimore.

P.S.

My best wishes attend on
 and my Compliments on
