

to notify accordingly to both Houses of Assembly for the same. 23

The two Addresses to the Right Hon^{ble}. Frederick the present Lord Proprietary from each House of Assembly on the Death of the late Lord Proprietary his Father, are also received; and his Lordship being abroad, his Guardians desire You will communicate Your their Thanks on his behalf to the two Houses of Assembly for the same.

In a Letter from my Nephew dated at Paris February the 29th 1752. are the following Lines. The Speaker of the House of Commons one of my Nephew's Guardians recommends to You (in pursuance of Sir George Lee's Request to him) M^r. Benjamin Young and his Son who are in Maryland, and desires that You will on any opportunity that You may have, promote M^r. Youngs Son in some Employment.

On finishing this Epistle, I had the favour of Yours dated the 30th of March last, which mentions Your late Illness, and that You were upon the Recovery, which I sincerely wish the completion of, for it gave me Concern to hear of such an In-Disposition having attack'd You.

By the same Conveyance I received a Letter from M^r. Tasker wherein he mentions Ann Strudel Manor, and the near Expiration of the Leases thereof; and proposes for My Lord to grant further Leases thereof for 99 Years renewable for ever, which he apprehends the present Tenants would take, and he thinks it adviseable for My Lord to comply therewith, for he is afraid the present Tenants will not renew upon any other Terms. The favour of Your advice and opinion on this matter will be very acceptable to My Lord to consider on his coming of Age, as it will determine the consideration thereof.
