The Hon<sup>ble</sup>. Cecilus Calvert Esq. His Lordships Secretary  
of Maryland to John Ross Esq. Clerk of the Upper  
House of Assembly there.

on his neglect of sending the Address voted in Dec: 1751.  
& to rectify his conduct by sending as early as possible  
after the Rise of each Session the Proceedings of the  
Assembly.

London July the 9<sup>th</sup>. 1752.

Sir,

I have received the Proceedings of the Sessions of  
Assembly begun the 7<sup>th</sup> December 1751. with the Laws, but  
the Address voted to His Majesty from both Houses on the  
Death of the Prince of Wales was not with them, however  
as I received the said Address voted in the May Sessions, which  
might have miscarried, that has <sup>been</sup> presented to His Majesty.  
But this shows your neglect in the said last Conveyance  
which I hope and you must be carefull to avoid for the future,  
as also to rectify your sending over such Papers of consequence  
much earlier after the Rise of each Sessions of Assembly, than  
you have practiced, and of which you have this notice from

Your humble servant.

Cecilus Calvert.
