

Beneficial a Law will at the next Meeting of the Assembly meet with the Approbation of 'tis further continuance.

As to the Appointment of the Council of State or Appurthouse by a new Commission. Mr. Sharpe is of opinion it is needless; The late Governor having been Impow'ed by the Guardians to grant the same, and you having the same Instructions continued to you by the Guardians as were given to him to fill up all vacancies in the said Council; which I hope you have received, they having been sent by the last conveyance, and Duplicates are sent by this.

As to the Demand for the Arms delivered out of the Magazine of the Province, to the Forces design'd for the Canada Expedition; I shall use all proper Endeavours to obtain a satisfaction for the same; of which you shall have an account. I am very much obliged to you for your Kindness & good Designs of Service to Mr. Graham, of which you have given an Instance in your Letter, and I hope he will merit your further Esteem when opportunity serves: And till that happens he must be content with his present situation of Employ; as he cannot hold any office in his own Right until his Residence of three Years.

In my last I sent you an account of the safe arrival of all the Lists with the Bills remitted which came to my Knowledge, a Duplicate of which comes by this conveyance; and I have also received since, Duplicates of the two last Remittances with the second Bill, the one amounting to £. 2013. 3. 6. & the other to £. 1041. 5. 1.

I have inform'd Mr. Browning who is Manager for the Trustees
