

Order and Direct You not to consent to any Bill or Bills touching my Revenues whatsoever, until You have Orders or Directions from Me concerning the same.

6. You are to require and give strict orders if necessary, that my Shipping Dues be collected by our proper Naval officers as they justly ought to be, that is, that the owners Commanders or Masters of all Ships do pay my said Dues according to the true Tonnage of their Ships Burden Burthen, Bulk and Measurement, having a Deck flush fore and aft.

7. You are as our Chancellor to be aiding and assisting to my Agent and Receiver General, as also to our Judge of our Landoffice in our said Province of Maryland, in all that relates to their respective offices, and sign all Proceedings relative to such their Transactions in the said offices, in such manner as hath been usually accustomed.

8. Whereas Inconveniencies may arise in any Person or Persons being appointed Clerk of any of the Countys contrary to or without the Approbation of You our Lieutenant Governor. It is my Will and Pleasure that You give orders and Directions to the Secretary residing in our said Province, that for the future, no one be appointed to any of the said office or offices, but with your approbation and Consent.

9. You are to take care that no Inroadment be made on my Power and Authority of regulating and ascertaining the several officers Fees not regulated by any
