

Annapolis is aware that there is some Delicacy
in making this appeal to you, and in the hope
of removing whatever may be thought embar-
rassing in it, he has instructed me to say,
that he does not desire to place you under
any necessity of replying to it, but on the
contrary wishes you to leave it without
an answer if your view of the Subject
and the feelings which may be connected
with it, should make that course more
agreeable to you —

I take the liberty to ask that if you
should be disposed to make any communi-
cation to the Governor or myself on this
occasion, you will have the Goodness to
forward it with as little delay as may
be consistent with your Convenience —

I have the honour to be
Mr. Joseph Calder } with much Respect

Your Obedt. Servant
