 the Lord Baltimore Sole and absolute Lord and Proprietary of the same by  
 Patent under the great Seal of England bearing date 20<sup>th</sup> of June in the Year of  
 our Lord God 1632. And since by Act of Parliament Confirmed a Copy  
 whereof we have shewed to your said Ambassadors, and since you by your

 to Controvert or in the least our attempt to yield up as being that which we can  
 neither Accept from any other power, nor yield up to any other Authority without  
 the Consent of our Supreme Magistrat their Successors in the Dominion of

 be in Delaware Bay seated by their orders and Authority) doth is utterly  
 none and your Patent (if you have any) from the States Generall of the united  
 Provinces void and of no Effect. and to those Instructions by us delivered to the  
 Coll: Nathaniel Uti so much insisted on by you. We say they are such as  
 every person inhabitant of this Province ought to take notice of, as being  
 subscribed by the Secretary of this Province, and to no other did we give them  
 or he make use of them, neither can we Believe the High and mighty States  
 Generall doe think or will now Own those people at Delaware Bay to  
 be there seated by their Authority since they have heretofore protested to the  
 Supreme Authority there in England not to own their Infrusion upon their  
 Territories and Dominions as to indebted persons if any be here that are to  
 you Engaged, our Courts are open, and our Justice Speedy and Denyed to none  
 that shall Demand it of us, which we think is as much as can in Reason  
 be Expected, and the self same Course we take and the only remedy we afford  
 to our Neighbour Colony of Virginia and our fellow Subjects and Brethren  
 of England. Thus Hoping that you will Seriously Weigh the Consequences  
 of your Actions We rest in Expectation of such a Compliance as the stile  
 of your selves Imports having taught us to Surrender our selves
