

100 More if this Province will be able to afford them
 with the safety of those that must be left at Home in their
 Houses In the first harm was yours from the furious In-
 dians which I was desirous to have Revenged had I been
 Able being nearest to the habitations of them / as I formerly
 have done upon the Nanticoke Indians for the death of
 one Rowland Williams of Accomack before the Joint Expedi-
 tion made by both Colonys / since we have received this last
 Mischief by reason yours by Angoods death and his Compe
 was no sooner punished therefore I doubt not but you will
 Apprehend the necessity which our General Safety for the fu-
 ture Requires that it be no longer deferred but put in Execution
 with all the speed that may be to which I will not fail to add
 what help I can from hence this Gentleman Col^o Trufford
 will be able to inform you of all things that you shall desire
 to know concerning it from hence his worth and Abilities are
 known unto you wherefore Give me leave to refer you to him
 and Rest

From St Marys this
 23 August 1642
 Your faithful Friend to serve you
 Leonard Calvert
 24 August 1642

Henry Bishop
 You are notwithstanding any former Order
 or instructions to the contrary to permit all inhabitants of
 your Division to send their Crops, only upon any Alarm they
 are to Repair without any delay to your Fort and upon any
 Alarm from Patuxent you are to Repair with all your strength
 to Aid that Fort and the English there whereof fail not &
 this shall be your warrant

Signed
 Leo Calvert
