

of a Great Charge and hindrance this Year either
 in making a march upon them or in Guard against
 them with the disannimation of the people and following
 their usual diligence and Alacuity in proceeding in these
 Labours for the ^{next} year for remedy whereof and to assure
 them of what Consideration is had of their safety and
 Care I thought fit to publish and declare hereby that
 all possible diligence want shall be used for the furnishing
 the Country with Ammunition and that as soon as conve-
 :nient may be there shall be an Expedition set forth against
 the Indians of this Province at the sole Charge
 of his Lordship (excepting the persons of the Soldiers
 to make the Expedition withall for whose Service only
 the Country shall be Charged) and that Captain Sir
 waleys Esq is appointed and hath undertaken to go
 as General of the said Expedition to whom I have gi-
 ven all such power that shall be made upon the Enemy
 during the said Expedition to be by him disposed of
 for the Encouragement of Volunteers that shall set them-
 selves forth and serve at their own Charge and for the
 Reward of his Soldiers as he shall find them to deserve
 And further for the Greater Encouragement and Relief
 of those that shall go upon this service I will use all
 Circumspection that may ^{be} that the said Expedition
 shall be so made (by Gods help) performed that it
 shall be no considerable hindrance to any ones Crop and
 that the debts of those whose present abilities will
 not reach to the satisfying of their Creditors without
 the grievous expense and disabling them for their neces-
 sary Subsistence for the future I will use means with
 their Creditors (if they be inhabitants of this Province) to
 forbear until the next year which I have already assured
