

debate of what is fit to be done for the safety of the Colony
 instead thereof have thought fit and appointed that there
 shall be a company of choice shot with their
 provisions ammunition and all things necessary
 to send and fortify upon flatmers. Island under such
 command and according to such instructions and Order
 as shall be appointed by the Lieutenant General is entrea-
 ted to Agree with the said Soldiers touching their pay and
 all other Conditions during their abiding there in Garrison
 and to take up all things necessary for the Arming or provi-
 ding them at the Colonies Charge and these things are
 thought necessary to be provided for them vizt 30 powder
 100^{lb} Shott 20 Barrels Corn 1 Wherry or Shallop 2 Iron potts
 1 Settle swords or half Pikes and necessary nails to build
 them a house

July 18 1643

Commission of General to Captain Cornwallers
 to have and use all necessary and sufficient power for
 the making of an expedition against the Ssequhanowes
 or any their aiders and Confederates at such time and in
 such manner as you shall think fit and to levy Soldiers
 and all other means necessary for the said Expedition by
 way of press according to that Law and to have use and
 Exercise all power and Authority for in and during the
 said Expedition as amply and fully to all intents and Con-
 structions as any Captain General of an army may have use
 or exercise by the Law or Custom of war

Commissioner Cap^t Cauther

Cecilus &c to our trusty Captain James Cauther &c
