

my other Stock of Neat Cattle provided always that the Secretary make such provision of fodder and housing for the said Leonard Calvert in his custody for the winter as my said Commissioners shall find necessary for them.

5 That they allow unto my Lieutenant General W^m Giles Brent for his pains and care in the Government there the one half yearly of all fines Confiscations Wrecks Tribute from the Indians Customs or other Gifts from the General Assemblies there which shall grow due unto me during the time of his Government under me there but I would have all such things as are mentioned in this Article to be entirely charged upon their yearly Accounts to be and the one half thereof discharged again upon the said Acc^t it being disposed of according to this my discretion.

6 That they take care to cause such Tobacco's to be satisfied to my Brother Leonard Calvert or his Assigns as he or his Assigns shall have disbursed or engaged themselves for my use there this last year which in case it cannot be otherwise I would have done by Sale of some of my neat Cattle but I would have them know I do extremely desire to have my Stock of neat Cattle and Sheep to be preserved as much as possibly may be and that they should not be any way diminished but when necessity doth absolutely require it and I would have the Commissioners to be very careful that when there is a necessity of selling of any of my neat Cattle that it may be done with the least prejudice that possibly may be to the increase and Good of my said Stock for in so doing they will do me a very acceptable Service which I shall acknowledge to them in due time.

7 That they use their best endeavours to discharge the Bargain which was made this Year for W^m Copleys house
