

prosperity of the present inhabitants there then our own
 particular advantage to the end that others may be encour-
 aged to adventure and plant in the said Province whereby
 the people already there may be the more strengthened against
 any Foreign Enemies we have thought fit to revoke and to re-
 voke our former conditions of plantation for our said
 Province of Maryland and to propose other conditions of
 plantation for the future within the said Province which we
 send you herewith written in parchment under our hand
 and Greater Seal at Arms bearing date this present second
 day of July in the Year of our Lord God 1649 and hereunto
 annexed and whereas we have likewise sent you herewith
 certain draughts of forms of Grants of a Mannor and of a
 freehold under our hand and Greater Seal at Arms and here-
 unto also annexed which forms we would have observed
 and none other Mutatis Mutandis & Repletis Replendis
 in the Granting of any Lands within the said Province for the
 future by virtue of the said last conditions of plantation
 bearing date as aforesaid or by virtue of any warrant here-
 after under our hand and seal at Arms for Granting of Lands
 there/excepting where we shall by any such warrant give
 directions to the contrary) we do therefore hereby declare that
 we have and do hereby Revoke from hence forwards all former
 conditions of plantation for our said Province of Mary^d
 heretofore proposed by us so as we will not have any Land
 in our said Province hereafter granted from us to any person
 whatsoever by virtue of the aforesaid conditions of plantation
 for or in respect of the Transportation of any person or
 persons whatsoever into our said Province from and after
 the date hereof and we do will and require you to publish this
 our Declaration in our said Province with all convenient
 speed to the end that all those whom it doth or may con-
