

to all and every such Actions and demands which shall
happen at any time hereafter to be brought Commenced
or prosecuted against her the said Administratrix in any Court
within this Province touching the said Estate contrary to
the direction herein before expressed Given at Saint Marys
under &c^s the 7th day of March Anno Dni 1652

For me Thomas Hatton Secretary

19th March 1652

The Governor this day by a declaration under his hand
to be published at Kent made void all Warrants or Licenses
by him formerly Granted for killing of wild unmarked
Hogs there.

By the Lieutenant &c of Maryland

Whereas there is Great Suspicion that the Indians
intend some mischief to the Inhabitants of this Province
for the better prevention whereof (by Gods assistance) there
are in the names of the Keepers &c to require and authorize
Thomas Gerard Esq to use the best means he can to discover
the designs of the said Indians and for that purpose to raise
what forces he shall think fit with whom or otherwise as
Occasion shall require he may repair to Pointo Back or Choptico
and if he think fit either disarm or secure the persons of
any of the said Indians till examination had touching
the premises or further Order Given at Saint Marys the 24th
day of March 1652

23 March 1652

Upon Consideration of the danger from the
Indians with the Assistance of Captain Corn-
walleys & Mr Gerard
