

with divers goods and household stuff belonging to Mr
 Simon Oakes Merchant an Inhabitant of the said Province
 of Maryland and that the said Captain Weber refusing
 either to Submit to a Tryal touching the premises before
 the Governor and Council of the said Province or to make
 or Give other satisfaction therein hath carried away the said
 Ship tackle furniture Tobacco and Goods out of the said
 Province as a prize intending as we conceive for the Port of
 London all which wee declare and Certify as aforesaid Given
 at Saint Marys in the said Province of Maryland under
 our hands this 12th day of June Anno Dni 1654

Tertio die July 1654

Forasmuch as the right honorable the Lord Baltimore Lord
 Proprietary of this Province by his instructions to the Governor
 and Council here dated the 28th of September 1653 hath
 discharged Robert Brooke Esq^r ^{late} Commander of Charles County
 from being one of the Council Conservator or Justice of the
 Peace or Commander of any County within this Province
 the Governor hath thought fit for divers reasons relating
 to the publick Good... and doth this day with the Advice of the Council
 make void and nullify an Order or Constitution made the
 21st of November 1650 touching the erecting some part of the
 South Side of Patuxent River into a County by the name
 of Charles County and instead thereof doth now erect make
 and appoint both sides of Patuxent River into one County
 by the Name Calvert County Bounded on the South Side
 with Lynnhill River or Creek to the head thereof and
 from thence through the Woods to the head of Patuxent
