Whereas Josias Fendall Gent hath been charged on
 the Behalf of many of the ^{Company of} Inhabitants of Maryland
 by their declaration exhibited in Court that he the said
 Josias Fendall contrary to his Oath taken to the present
 Government of the said Province hath openly acted to
 the disturbance of the publick peace and Government of
 the said Province for that end assuming a pretended power
 from Captain William Stone to the great hindrance of the
 publick Affairs and to the distraction and damage of the
 People to which charge the said Josias Fendall having full
 and free Liberty to answer hath made no sufficient plea
 to traverse or made void the said Charge but rather disow-
 ning the power of the Court it is therefore Ordered by this
 present Court that in regard the said Josias Fendall hath
 and still doth give just Ground of Suspicion of his dan-
 gerousness to the publick peace of this Province if he should
 enjoy his Liberty he the said Josias Fendall shall go to the
 Place from whence he came Prisoner and there abide in
 safe Custody until the matters of Government in the Pro-
 vince of Maryland shall be further settled and ^{fully} determi-
 ned by his Highness the Lord Protector of England
