Edmund Hudson demanded went to bring Edward Houldy & his wife before the  
Governour, forthwith, to make answer to the suit of Edmund Hudson, for speaking  
certaine scandalous speeches, to the defamacion of the said Edmund.

Went to the Sheriff to bring the persons a supra before the Governour forthwith.

I received your letter, concerning your owne, but could never learne who bought it,  
nor who was to receive & returne my answer. But by this opportunity I went  
to Mr. Truffel speedily to deliver your owne & Cole to you. Mr. Hill has often spoken to  
me, to desire mee to write to you, & you will give him satisfaction, for some things  
which were left, & some things which are in your hands. If he might have such condonance  
as you & hee subscribed to. I told him if he need not doubt, but you would give  
him all satisfaction, but he was for ever more, & I could not deny him to speak  
to you to doe him Justice. The particulars of his demands I know not, but shall  
desire you to satisfy him, in what is rightly due to him. This is all at present.

desire a fayre exchange. And to some of the suggested rumors altogether false, that
