

up in the fishes of Potomack River for his Lordships use &
 also that no encroachments by any other persons upon any
 lands ^{already reserved} that shall hereafter be reserved for his Lordships use
 also that no lands whatsover formerly granted and since
 forfeited or forfeited to his Lordships be granted away upon
 Rights of Plantation or otherwise without special warrant
 under his Lordships hand and seal

3 That you use all means possible to procure that some per-
 sons be seated upon the sea coast side on the Eastern Shore and
 on Delaware Bay within the Degree forty Northern Latitude
 and particularly the Shoreland for the Encouragement
 of Planting in those parts it is his Lordships pleasure that
 Lands be granted them to such persons at the rate of one Shil-
 ling Sterling yearly for every fifty Acres according to the former
 Conditions of Plantation and if any shall presume to oppose
 you in it you are to maintain his Lordships right by force if
 need be which his Lordships will justify you in it is likewise
 his Lordships further pleasure that the Surveyor General do
 set out for his Lordships at the Shoreland a broad Side
 of the Eastern Shore of the best Land and in the most convenient
 places to be found in those parts two Mannors in every County
 each Mannor containing six thousand Acres at the least

4 ^{thly} Whereas his Lordships Granted to his Son a power during
 his being ^{of the said Province to suspend}
 any person of the Privy Council ^{Officers}
 and to add to the number of the said Privy Council such persons
 as ^{thought fit} his Lordships thought fit hereby to declare
 that he intends not that his Sons deputies should have any such
 power nor ^{any such Authority without special warrant}
 for the same under his Lordships hand and seal ^{Quintus for his Lordships hand & seal} all in the
 twenty eighth day of July one thousand six hundred sixty nine

C. Baltimore
