

of Annandale & Co. to appear at the next Provincial Court
to take the oath of Justice of the same Court & afterwards to take
the Oath of one of his Lordships Council

Ordered that the Land by the water side and three miles
into the woods above Piscataway be reserved and not surveyed
until ten thousand Acres be laid out for his Lordships use

Ordered that from the Shore hill to the degree forty
Northly Latitude be erected into a County and called by the
Name of Durham County and that from the Shore hill to
Mount Scarborough be likewise erected into a County & called
as the Lord Proprietary shall hereafter direct

Ordered that Notice be given to the Sheriffs of Somerset
Dorchester Talbot & Baltimore Counties that what persons will
hold any Land on the Seaward side and Delaware Bay from
the Bounds of Virginia to the degree forty Northly Latitude
shall for their Encouragement pay yearly one Shilling per
cent of the value of every fifty Acres which here they shall
take up upon legal warrant and that the Surveyor General
do authorize some person that he shall think fit to survey the
same and according to his Lordships former order to lay out
for his Lordships use no more in each County but War-
rents to contain six thousand Acres at the least

Ordered that the Surveyor General do make out the
Northly bounds of this Province as far as possible at the de-
gree forty Northly Latitude and return his Observations
to the Deputy Lieutenants in Council and that Mr. Bucks
the Governors Secretary be desired to provide the Governors
Sloop with men and Victuals for the accommodating the
Surveyor General up the Bay by the nine and twentieth of
this instant month of October
