

Through your Country doe for the future injure any
of our persons, Discontinue or otherwise our Indians -
living with us, or goods And if any ill persons -
should doe us any harm, that there be p^{ro}vided full
Satisfaction given for all injuries or damages.

The above being observed so that no injury
or damage be done, or satisfaction given
we shall allwayes esteem & treat you as our good
Neighbours & friends.

And in case hereafter any difference should
happen betwixt you & the Indians in league with us,
that you will not immediately make warre before that
we know the occasion, so that thereby we may call
them to account for the evil done to you, & to
propose satisfaction to you for that wrong, & see to
continue the peace.
