Wee having bin som English murdred neere a place called Point Look Out at the mouth of Pottomock We have made it our endeavour to find out the murder that wee may be able to give his Majesty som reasonable Acco^t of his Subjects lives, We finde Northern Indians in Suspition, and at a late conference we had with some of their warrio^rs charged them with it but had so little Satisfaction that we conti: nued our quest: ry way, and at length upon the 24^th of August (while our Comission^rs were treating with the Northern Indians at Zachiah Swiah and his wife came to S^t Maries, and she charged the Sat: King of Nanjaticos Sonn with the Murder and named him as by the Inclosed Information you will perceive, Though this information might have warranted (as we conceive) a Demand of the murderer yett we continued our Search further after an English man who had reported divers things that rendred the Nanjaticos Suspected, and upon the 12^th instant that English man named Rich^d Mainwaring an Inhabitant of New Kent County and living at the house of John Pigg or John Pidd, made oath that the day after the murder was committed in Maryland neere Point Look Out, he heard of it in Virginia from two Nanjatico Indians as by his Deposition taken in the Upper house of Assembly the 12^th instant will appear. His Deposition we likewise send here inclosed. After w^ch we hope you and the Govern^mt of Virginia will reflect that as we have delivered the King of Pottomocke two Sonns up to y^r Govern^mt and other at other times you will oblige us as well as do this Majesties Subjects their rights in the Delivery of the said King of Nanjaticos Sonns in the Information named in the first place to be proceeded with according to our justice here, and the Complices when they shall be discovered. This we promise our selves from your justice as well as from the Lawes of good Correspondence and therefore We once again request it from you in the name of y^r Govern^mt now gathered together in a gen^rall Assembly and Rest
