

I Surveying &c in this County which to your hum-  
ble Petitioners seems of very high consequence & most  
Greatly to be admired that Strangers newly arriv-  
ed should obtain such high priviledges & their Majes-  
ties loyal Subjects in our County of so long Continuance  
so little regarded which indeed has begot in your petitioners  
such thoughts as the aforesaid Commissions are surrep-  
tiously Obtained & his Excellency not duly informed  
which Commissions we humbly beg may be & Lie dor-  
mant till his Excellency may have full informations

Ver<sup>be</sup> the 9<sup>th</sup> 1692 And as in duty Borne shall ever pray
