being discharged of the Govrnmt &c. being for I thinke it may
be just & reasonable that they should be restored to his Lo: again,
And I cannot see any prejudice can thereby happen to the parties by
whome such Bonds or Bills were given, tho they have not Executed
their Warrants nor had Certificates Returned; after the Bonds cannot
be put in suite till the Lo: Baltimore hath performed the Conditions
on his part.

But I conceive it propre, that the Records which are of publick
use to preserve the Inhabitants title to their Lands should be
kept Under the custody of the Govrnor.

All which is humbly submitted to yor: Lps great Wisdome
