Whitehall, 19th April, 1694.

Mr. Blatway's Letter }
to Mr. Slater ----- }

I have Received your Letter of the 27th of Jan^y last with a Duplicate, but no Accounts, the want of which you say is occasioned by Mr. Landolphs absence, and you give me leave to Expect them by the next Conveyance, which is very necessary.

God Nicholson your Governour goes by these Ships who will regulate all matters relating to the Revenue, and put them in such a course as they are fit to be, from whom you will likewise receive Directions, what allowance is to be made to Masters of Ships for passing Duties.

As to the fines which you receive in Spacie, there is no doubt but that the Tobacco is better sold in the place then Ships for England, and you may be guided in all these matters by your Governour - I am,

Your most humble Servant
W. Blatway

The said Letter was directed thus, viz:
To George Slater Esq^r Collector & Receiver of their Ma^{ty} Revenue in the District of Petuam, Maryland

Whitehall

His Excellency acquainting the Board that he had sent down for the Indians to ask & know of them in what condition they were in, it was thereupon moved to his Ex^{ty} - by some of the Members of the Council that consideration might be had concerning an Indian that had made his Escape out of prison being committed upon suspicion of killing an English Man: Whereupon Resolved & Ordered that Mr. Attorney Generall be consulted to know what the Law directs in that case, and that he make Report thereof to this Board to Morrow -

Emperours of Piscataway appear at up. Board -

The Indians, viz. Sasop Emperour of Piscataway together with five of his great Men appear here at the Board, to whom his Ex^{ty} was pleased to declare the Reason of sending for them -
