

39

- 1^{ly} In case of a County Court failing for want of sufficient Number of Justices to Adjourn the same what may be most proper & fit done in such a Case.
- 2^{ly} How the Court may be Continued and the people have Notice about the method of proceeding therein.
- 3^{ly} What is to be done in case of persons in Execution or otherwise, and in Criminal Matters depending when persons are bound over by Recognizance to appear &c.
- 4^{ly} Whether it may not be advisable and to the service of the Country for prevention of like Accidents that a Law be made to inflict a severe Penalty upon every Justice neglecting to come to Court or refusing to serve when Commissioned, obliging them to sit a certain Number of hours every day and to continue sitting until every Court Request be fully cleared - And that the Clerks of each County be therein likewise under a penalty obliged to make constant due Return of the several Fines & Forfeitures thereby becoming due unto the Provincial Office in Order for the Attorney Gen^l making prosecution thereon &c. - And lastly that in the said Law it may be provided for Sheriffs to summons substantial Grand & petty Jury Men out of every hundred to serve at Courts.
- 5^{ly} What is to be done against St. Maries County Justices who have now neglected to hold Court, and against such as are not sworn & refused to take the Oaths, whether there be any Law to punish them.
- 6^{ly} By what grounds of Law a person may forbid the Banns of Marriage upon publication made and whether in such a case if a lawful impediment do not appear the party given may not bring his Action &c.

Whitehall

Then produced the severall Attorneys answers thereto which were likewise read, the Majority of them bring of Opinion that all Actions & procs then depending before that Court are thereby discontinued & the Commission fallen for want of adjournment and that by consequence a new Commission must issue -

Proposed by his Excellency the best way to remove this grievance & to bring the gentlemen to give their advice therein, who make answer their Opinion is that a new Commission must necessarily issue & thereupon Ordered that Commission of the peace and for supply of Courts issue and be out -
