Humble Pray (Council of whom all due regard being had
the more do think fit would and accordingly ordered that
the Clerk of the Council for the reasons aforesaid take with
for the recording these Commissions but that the same
be done as Office Orders for Copies of the proceedings
of these two prize Ships delivered Mr Roberson at his re-
quest that Board do think that the legal fees due for tri-
ling the same ought to be paid and answered

Afterwards being produced and read at this Board from
the Reverend Mr Richard Tubman unto his Excellency
sent & delivered wherein he gives an Account that since
it hath pleased God this late visitation & sickness happe-
ned in the Country the Romish Priests have made it
their Business to go up & down & inuade themselves
into protestants houses perverting several persons in their
Extremity & weak condition to the Romish faith which is
also affirmed by several Gentlemen of this Board their
Constant practice tending to the great disturbance of his
Majestys happy Government here established & against the
known laws of the Kingdom of England Ordered therefore
that his Majestys Lawyers consult & advise what course
is most fit & proper to be taken to restrain such illegal
enormous practices & make report accordingly to this Board
with all convenient speed

Read and read a letter recd by Coll^r Robotham from
Major Edward Torrey containing several proposals in
relation to building the Church & School at Annapolis in
was read

And the first that is mentioned that the Inside
Work of the Church as pairs pulpit Reading Desk &c be
Mentioned good plain work

The which is agreed to

That the terms representing Baristers round the cross
Proof be signified of what Court & what Distances and
