

His Excellency requires the Board that upon
Doctor Bury's going for England he had conferred the
Commissary's Office upon the Burese say one of this
Board but that he was always willing that the said
Doctor Bury if he returned or any other qualified per-
son should be by the right Reverend the Lord Bishop of
London should enjoy that Office which this Board
do well approve of

By his Excellency the Capt Genl

Proclamation

I have received his most Excellent
Majesty's Commands to me by the honorable James Ogle
Knt one of his Majesty's Principall Secretaries of
State commanding me to prohibit all Commerce with
and not to suffer any ammunition supply of Arms or
other necessary provisions to be transported hence to the
Islands which lately arrived at the Island of St Thomas
in several Ships which they had fitted out with in-
tention as they declared to settle themselves in some part
of America their design being altogether unknown to
his Majesty. I do therefore by this my Proclamation
prohibit all persons whatsoever within this Gov^{ty} from
holding any Commerce with or giving any Relief or Aid
to them whatsoever as they will answer the contrary
at their Perils &c. I do thereby command & direct
the several & respective Officers of his Majesty's Cos-
toms within this Province that they do not cleave
to suffer any vessel to depart hence having on Board
them any store of Powder Ball Ammunition arms
