

& Children are yet above the Mountains & that they will not come until he goes to bring them down & in regard of several Men that are in the same both on Virginia & Maryland desire to have Liberty to pass up to the said Fort of Indians above the Falls to fetch his said wife and Children down & bring what other Indians are willing to come with him

Leave is therefore given to the said Emperor to go up to the said Fort of Indians above the Falls on the Maryland side & bring his wife Children & Goods with him & all such Indians as are willing to come & enjoy the said Liberties in all which he & they shall have safe Conduct & unmolested provided he and they do return by the first of October next ensuing at furthest & at that coming in give an account of their English & Indian names to Mr W^m Hutchinson & Mr Jⁿ Hawkins one of them both of those that are come in & shall come by the time aforesaid & the said persons are required to take a true account of what names shall be given in & return the same to the Gov^r & Council of the said Province of Maryland Given under my hand & Seal this 18 day of July 1700

H. Blakiston

Proposed that the Emperor be acquainted that when we make a peace with him we expect to make a Peace with a Prince and consequently with his whole People & that for to make a Peace with him which will not be requir'd by his People it is an affront to us to treat with after such manner
