

His Excellency is pleased to require of the Board & Committee what care the last Assembly took for Lodging & securing the Arms & Ammunition for that he is not willing that the Arms & powder should be kept together in one place least any accident should happen so that both Scouts

It being Represented that Capt. Hill had a very convenient house in the Town of Uxbridge to be Sett advised that Capt. Hill's house be fitted up for Lodging the powder &c according to his Excellency's Directions

Advised that Capt. W^m Hutchinson & Mr. John Hutchinson receive as well the English & Indian Names that are already come in with the Emperor of those that do come in according to the message this day proposed to be sent to the Indians & that the said Gentlemen give the Indians notice not to hunt above the Eastern Branch

Advised that the Articles of peace with the Empire of Haurahke & the other adjacent Indians be confered and so far as much as we have reason to suspect some Inachery from some Indians that hunt here & the other Nations that the said Emperors call home their Indians on this side the Bay least any Injury should be done them upon any violence or Injury offered by other Indians unknown

It being there was a proposal made last Assembly for paying the publick & County Services in Money & not in Tobacco his excellency is pleased to ask the advice of the Board if they think it would occasion the less Tobacco would be made to which the Gentl^{men}
