

(Opinions which have been since explained
explained the necessity and disposal of the 140 of
Subscripⁿ. But here for the Support of the Mi-
nistry

Ordered that the Clerk of the Council see the
said Accounts regularly stated and fairly trans-
cribed in order to be sent to their said Lordships

His Excellency proposes to the Council that in
request an opportunity now presents of buying
some powder already in the Country whether it may
not be advisable at this juncture to embrace the
Occasion

To which the Gentlemen say they are sensible
there is a considerable Quantity of Powder already
in the Country which is continually decaying and
summarily therefore do not at present think it
necessary

His Excellency says he has often called upon
George Stater & George Muschamp Esq^r his Maj^{ty}
Receivers to give Security for their Receivers places
who now propose Thomas Tench Esq^r & Lieut^{nt} Coll^{el}
Jacob Howard to be their securitys which are well
Approved of

Upon the Application of George Stater Esq^r
Ordered that the several Clerks of the respective
County Courts do forthwith return exact Lists of
all Fines & Forfeitures in their County Courts
that have fallen since his Majesty's more immediate
happy Government

Whereas it is now the winter Season and
