

Witnessed by on. Then by the said Ship to be got ready
 for the said Wallace who then told the Attestant that he
 was ordered by Captain Bostock to bring away the two
 men he had lent him or otherwise the two best men on
 Board whereupon the Attestant demanded by what
 Authority & thereupon the said Wallace pulled out of his
 Pocket an Order or warrant where the Attestant did see
 and verily believes was the order or warrant of the Honourable
 President lately given and written upon his ^{being} ~~board~~ with a
 Sloop for relief of a certain ship upon the Tangier Islands
 & verily Believing him to have no Authority to impress
 any of his men turned him & the Boats Crew from on
 Board the Vessel after which the next morning said Wallace
 came on Board again and was something milder but the
 Attestant finding him to have no Authority to impress his
 men told him he should have none of them whereupon
 the said Wallace left the ship & the Attestant endeavoured
 to make his application to the President for his Protection
 but not finding him at home did apply himself to the
 Honourable James Sanders Esq^r one of her Majesty's Council
 who at his request came on Board the Attestants Ship &
 was persuaded to tarry on Board all night where early
 the next morning came Captain Bostock with the Boats
 Crew & Chirurgion and entering on Board had his Crew
 Ask for the chief Mate & threw him into the Boat & two
 men more where they took away aboarding hacking & cut
 ting the mate who was unwilling to go with them the said
 Captain Bostock swearing many execrable Oaths much
 Abusing the Attestant Damning him & the Voyage & threat-
 ning when the Attestant came down he would seize the
