

1706

The Council held at Annapolis Monday
August 27th 1706 Present

His Excellency the Governour -
Robert Smith Esq
Edmond Hamilton Esq Edward Lloyd James Sanders
Esq William Cursey -

His Excellency acquaints the Board that
having several weighty matters to lay before
them for Her Majestys Service in as much as the
money is not yett recovered from this late long
indisposition he hopes they will not take it
amiss if he had not put them in such regular
method as they should be -

And for his Excellency is pleased to
take notice of her Majestys Royall Instructions
for the building Goals & and how often the
Insufficiency of the Goals at Annapolis had
been represented whereupon with the Advice of
of the Honble Council he had caused it to be
amended & strengthened which Majr Josiah Wilson
had undertaken and performed The Board do say
that it was requisite approving thereof referd
Majr Wilson to the Committee for paying the
Publly Levy for payment - And Edmond Hamilton
Desired to give them Satisfaction therein -

His Excellency was pleased to produce
a Letter from Sr Thomas Laurence Barro! Secu
