

94.

The first part of the document
 discusses the general principles
 of the system and the
 various methods of
 application. It is
 divided into several
 sections, each dealing
 with a different aspect
 of the subject. The
 first section is
 devoted to the
 history of the system
 and the various
 theories that have
 been advanced. The
 second section
 deals with the
 practical application
 of the system and
 the various methods
 of instruction. The
 third section
 discusses the
 results of the system
 and the various
 methods of
 evaluation. The
 fourth section
 deals with the
 future of the system
 and the various
 methods of
 improvement. The
 fifth section
 discusses the
 various methods
 of instruction and
 the various methods
 of evaluation. The
 sixth section
 deals with the
 future of the system
 and the various
 methods of
 improvement. The
 seventh section
 discusses the
 various methods
 of instruction and
 the various methods
 of evaluation. The
 eighth section
 deals with the
 future of the system
 and the various
 methods of
 improvement. The
 ninth section
 discusses the
 various methods
 of instruction and
 the various methods
 of evaluation. The
 tenth section
 deals with the
 future of the system
 and the various
 methods of
 improvement.
