

Shafter warden in Potomack River and that Alexander  
Magiffin was run away (who as his Exy is advised is gone  
towards New York but no application ever made to his Exy  
for a Hunt & Exy) - That as to Humphrey Sworde & James  
Lundrillo his Excellency acquainted the said he did not think  
it a convenient power by his Orders to set them at liberty but  
that they must either be sold according to his Majesty's pleasure  
signified by the right hon<sup>ble</sup> Mr Stanhope or give Security  
for their continuing in this Province and being of good  
behaviour for the space of seven years -

The said Mr. Bond also delivered to his Exy the  
following protest being taken from one of the Robbells -  
on board the ship called the Goodspeed signed by John  
Chalmers one of the said Robbells Exy

Whereas by an Act of Parliament made Tri-  
-centimo primo Carole Tenthum It is enacted that no  
Subject of this Realm shall be sent prisoner to any  
part beyond the Seas within or without the Kings  
Dominions or any such Imprisonment being thereby  
declared to be illegall And that if any such Subjects  
shall be so Imprisoned he or she may maintain by  
virtue of that Act an Action or Actions of false Imprison-  
-ment in any Court of record against the Person or Persons  
by whom he or she shall be committed detained Imprisoned  
sent prisoner or Transported And against all or any  
Person or Persons that shall contrive frame write seal Sign  
or Counterseign any warrant or writing for such Commitment  
detain Imprisonment or Transportation or shall be advising  
aiding or assisting in the same or any of them And that  
the plaintiffe in every such Action shall recover Triple  
Costs besides damages And that the damages shall not
