

measures may be taken to prevent the ill consequences
of that Union which Letter was following

To His Majesty

Certain information being made to me and
the Council that John and Edmund Cartledge both the
residents at Comstocke have killed an Indian and there
is a story of thought it my duty for the preservation of the
publick safety to acquaint you with it and especially to
advise you well use your endeavours that the Indians may
be satisfied in order to prevent the ill consequences of such
a disturbance

Amnapolis 26th June with great respect

The enclosed are particulars of your information
Your most Obedient
Humble Servant
