 Lordships had advised the said Council by Letters in the year
 1682 and that the said Letters concerned the said Lordships
 when the said Letters were taken out the year
 1682 that the said Letters were taken out the year
 relating to the said Council's Letters by the said
 late Lord Baltimore in the year 1682

It being also pretended in the said Pleas that
 that the said Lands of the said County planted and sowed
 Nottingham without any resolution or Opinion ^{from Maryland} whatsoever
 all such as the said Council had taken for the said
 Proprietary of Maryland in any way said the Improve-
 ments of the said Province and advised to take some
 Charities at the head of the said River by a very large
 Plantation he had newly procured from England which
 observations the said James Logan Agent for the said Penn^a examined
 as is there said and found very defective which he offered to
 show by a Letter under his hand to the said Mr. Carol &
 it being also said that during these disputes several Letters
 passed between the said Penn^a Commissioners of Property & Mr.
 Carol as aforesaid

It is also said that Mr. Charles Carol desired to lay all such
 publick Papers & Letters and Answers passed between
 the said Charles Carol by his Lordships Agent and Mr.
 James Logan and Mr. Bristol's Commissioners of Property de-
 cided by the said Agency

The said Agency acquainted the Board that he had
 by Letter appointed to send Sir William Keith at New
 Castle on the 10th day of March Instant but that by Letters
 from England since that he is acquainted that Instructions
