

intended against the said mentioned them the Liberty
of Selling them nor done any relation that the Factors
Compactly deem prejudicial to their Employ unless
our Legat Discharge of our duty by requiring security
for the good Behaviour of Persons of ill fame be such,
which we hope your Honours will not think us account-
:able for either to Mr Forward or his factors Nor ought
we to neglect our duty tho Mr Forward should lose
Money by his Bargain or not get so much by it as he
Expected nor does it Concern us if Mr Forward should
think proper for the better Advancement of his Sales to become
Surety for their good behaviour nor do we in any ways hinder
him from making the best of his bargain nor ought he to
hinder us from keeping the Peace; we hope in this the Gov^t
will protect us

The accusation the Factors make against one of the
Magistrates we believe is ^{mis}represented; it is affirmed by one
of us that he was told Mr Woole said he would send the
Conviction show and see who daid Commit any of them
in which the Magistrate told Mr Woole if he heard him
doe any Magistrate, ^{to do his Duty} he would Oblige him and them too
to give Security and if this be the instance the Factors mean
we hope it is evident to your Honours as well by this as by
other parts of their Representation at what a pragma-
:tical height of Impudens Involence they are raised by
Mr Forward's Employ they are pleased to take upon them
to Advise your Honours in matters of State and without
their Sphere and yet pray remedy against us for Acting
According to Law and our duty which if your Honours
are not pleased to oblige them in, they in Effect say
