--	--	--	--	-----------------

His Excellency having communicated to this Board the aforesaid Proceedings  
and illegal Association and Revolution, signes by several Persons who had at first been settled in  
Baltimore County, and for some years past held their Lands under the Authority of this Government,  
and paid their Taxes, of their being unanimous to withdraw their Obedience from this Government,  
and to transfer it to that of Pennsylvania, which unwarantable Proceedings and Behaviour of  
such Persons, this Board having taken into Consideration, and having good Reasons to be advised  
of such Persons being instigated and countenanced therein by men who pretend to be Magis-  
trates and Residents of Pennsylvania, are of Opinion tend to the greatest Confusion, and may  
have the most mischievous Consequences, not only to the Peace of this Province, but also in-  
the Example which may be thereby given to any other of his Majestys Subjects daring to —  
refuse Subjection to the Government in which they live and reside.

And his Excellency having also informed this Board of the Commands he was —  
pleased so prudently to give to the Sheriff and to several of the Officers and Militia of Baltimore  
County to assist the said Sheriff in the Execution of his Duty in discouraging such unjustifiable  
Attempts and enforce the Submission of those disorderly Persons, as well by apprehending their  
Bodies, as by levying the Taxes due from them to this Government, which wise Caution not  
having as yet had the desired Effect, by Reason that many of the Inhabitants under the  
Government of Pennsylvania in a most tumultuous Manner came over into Baltimore County  
and avowedly received and kept under their Protection those Persons who had so boldly offended  
against the Peace of this Government, and the Good Rule and Order of all Civil Societies.

And as it appears to this Board by a Proclamation issued by the President and Council  
of Pennsylvania that the Government of that Province not only avours and countenances those  
outrageous and unwarantable Attempts, but even has thought fit to order and encourage the  
apprehending any of the Inhabitants of this Province who acted the Part of dutiful Subjects to his  
Majesty, and faithful Servants to his Lordship in their Endeavours to support those insolent  
Disturbers of Peace and Government.

And this Board having received Proof upon Oath that not only his Lordship that  
acter has been most evilly and scandalously traduced, but also the great Authority of his  
Majestys high Court of Chancery, and even the most sacred Name of Majesty it self have been —  
in a most impudent and presumptuous Manner made use of to give a sanction to their  
Expectations of reducing the Inhabitants of this Province from their Submission to this —  
Government.

Therefore it is advised resolved and ordered that a Proclamation or Proclamations  
issue for the apprehending all who have acted countenanced or abetted the Actions in any of the  
Matters aforesaid. And that a Reward of One hundred Pounds be offered for apprehending each of  
the following Persons Viz. Samuel Smith Edward Smout Samuel Blunstone and John  
Bright; And a Reward of Twenty Pounds for apprehending each of the following Persons  
Viz. Michael Tanner Christian Crowle Mark Evans Charles Jones and Joshua Minshull.  
And a Reward of Ten Pounds for apprehending each of the following Persons Viz. Jacob Geable,  
Jacob Seglaer son and Lowe Christian Lowe Jacob Seglaer jun<sup>r</sup> Michael Deringall Philip
