

such additional and illegal Confederacies and Associations might by the same dangerous Principles be
prevailed upon to resist with force, that lawful Authority of this Government which was so intended
to be executed over them, it was thought absolutely necessary to support the said Sheriff in the Execution
of his Duty with such Assistance as might be sufficient to repel any Resistance or Violence that should
be offered or offered against such Sheriff, which prudential and justifiable Nation has been so much
mistaken as to be interpreted a Levyng of War against his Majestys Subjects of the Province of
Pennsylvania, upon this weak Pretence that those parts of Baltimore County where the said Sheriff
went to discharge his Duty aforesaid lay upwards of Twenty Miles to the Northward of an East and
West Line which was, by a solemn Agreement entered into by the Lord Proprietary of Maryland and
the Proprietaries of Pennsylvania, now subsisting and under the cognizance of His Majestys high Court
of Chancery, fixed and established as the Boundary of their respective Provinces; Whereas it is a truth
too well known to be denied or the contrary to be believed, that this solemn Agreement can never have
any Effect to fix and establish the Boundaries of the Provinces, unless the Proprietaries of Pennsylvania
should be able by the Justice of their Law to obtain a Decree in his Majestys high Court of Chancery
for that Purpose in their favour, in which Court that Cause is still depending and under the cognizance
thereof, so that before the Court, whether the Lord Proprietary shall be obliged in Conscience and
Equity to perform that Agreement, be determined in his Majestys high Court of Chancery, no
justifiable Claim can be presented by virtue of any of the Boundaries expressed in that Agreement,
nor would the Proprietaries of Pennsylvania have been put under the Necessity of applying to
obtain of them selfs the Aid and Assistance of the high Court of Chancery to strengthen and enforce
the Execution of that Agreement; if that Agreement had still subsisted and continued good and
effectual in Law; Notwithstanding all which plain and well known Truths several weak minded
Persons have been so far infatuated as in a tumultuous and riotous Manner to meet together
together in Baltimore County, aforesaid with some bold and insolent Disturbers of the Peace of this
Province in Order to oppose and resist the Officers of Justice in the Execution of their Duty, and to
screen the aforesaid illegal Confederates and their Abettors from the Justice and Laws of this
Province; As such daring and dangerous Attempts and Practices affect in a very particular
manner the Peace and Happiness of all his Majestys Subjects in this Province and may if not
timely discouraged and prevented be attended with the most fatal consequences; We have thought
fit by this our Proclamation as well to assure every Inhabitant of this Province, who behaves him
self in a peaceable manner subject to the Laws of this Province of the utmost Protection and
Countenance of this Government; as to endeavour the apprehending and bringing to condign
Punishment any of the Actors in or Promoters of the illegal Combinations and tumultuous meetings
aforesaid; And for those Purposes We hereby strictly require all Judges Justices Magistrates and
other Officers within this Province to be vigilant and active in their several Stations for main-
taining Peace and good Order within their respective Counties strictly charging and commanding
the high Sheriffs of the several Counties within this Province especially the high Sheriff of the
County of Baltimore and to hold themselves in Readiness with the People of their
respective Counties to suppress all illegal Combinations and Disturbances and disperse all
tumultuous and riotous Assemblies and Meetings either by apprehending and securing all
such Persons as have been the Incendiaries Abettors Authors or Parties in any of the aforesaid
Practices or tumultuous Meetings or shall hereafter be a Promoter or Promoter aiding or
assisting in any other Disturbance for the future; And in general that the said Sheriff except
