

join in their humble Representation to your Majesty for your Royal Interposition, and in the same time  
not only to remove any new Settlers on the Borders, but also to prevent any future Settlers, and that on till  
your Majesty's Commands should be known: Had this been agreed to, our Borders had continued in Peace  
and your Majesty's Subjects safe in their Lives and Properties

Our most dutiful Attachment to your Majesty and Laws make us incapable of retaliat-  
ing those Injuries, but obliges us to fly to your Majesty's Royal pleasure and Will, which only consist  
in the Peace and Happiness of all even the most remote of your Subjects; On your Majesty's most extensive  
and Royal Goodness and Justice we rely, and earnestly pray your Majesty's Royal Interposition and  
Commands for the preservation of Peace on our Borders and Trial of those Violators thereof, in a  
Place where the Facts were committed and where they may receive their deserved Punishment as  
well as for the Discharge of, and Rehibition of Damages to those Unhappy Prisoners

Your Majesty's most gracious condescension in hearkening to these our Complaints  
must the more (if possible) enforce our inviolable Duty in praying for the Blessing of Length &  
Happiness to your Majesty's Reign, and an ever continuance of the Crown in a succession of the  
illustrious House of Hannover, whose chief Good is placed only in that of Mankind, and more espe-  
cially of its Subjects, amongst the most Dutiful and Obedient of whom we humbly presume  
to declare our selves

To the Right Honourable the Lord Proprietary  
of the Province of Maryland

The Humble Remembrance of the Governor and Council of the said Province  
May it please your Lordships

We the Governor and Council of your Lordship's Province of Maryland beg leave  
humbly to represent to your Lordships that several Germans and Palatines some years ago arriv'd in  
these Parts of America; made their Applications and Requests to this Government for the Liberty of  
settling and dwelling with their Families on Lands within this Province; which Desires this Gov.  
not only thought reasonable, but the People so deserving Encouragement, that several considerable  
Quantities of Land lying on the Borders of this Province adjoining to the Province of Pennsylvania  
were allotted and assign'd to them for their Residence and Support under the Authority of this  
Government, and accordingly not less than fifty or sixty Families of that Nation immediately took  
Possession of those Lands, and paid their Proportion of the Taxes, and demean'd themselves in every  
other respect as peaceable Subjects to his Majesty and unquestionable Inhabitants and Tenants  
of this Province, until very lately; When through Unwarrantable and too much Fidelity, they suffered  
themselves to be prevailed on to renounce openly their Submission to this Government, and to  
declare their Resolution to transfer their Obedience to the Government of Pennsylvania, and  
in Order to account for this their extraordinary proceeding they declared their Unwillingness  
to contribute towards the Maintenance of the Ministers of the Church of England by Law  
established in this Province, and to conform themselves to such Laws and Rules for the  
regulating the Militia, as this Province in their Legislature has thought expedient
