

Deliver to Mr. Robins and the said Matthew Schune the Opinion of this Board as follows

That the said Mr. George Robins in rendering Judgment against the said Matthew Schune as complained of by his the said Schune's Petition, was too harsh and strict, and that the Rule made by the Justices of the said County Court of the first Tuesday in June Anno Domini 1736 against him the said Schune was harsh and severe; that Magistrates in doing their Duty will always be countenanced and protected by this Board, that the Behaviour of the said Matthew Schune towards the said Robins was rude and indecent, and the said Schune is directed to behave himself respectfully to the several Magistrates of the County and it is the humble Advice of this Board to his Excellency that he be pleased to direct the Attorney General to stay all Proceedings on the Information exhibited in the Provincial Court against the said Matthew Schune

His Excellency having communicated to this Board the Reports made therein by the Judges of Assize of the Eastern and Western Shores, of the Proceedings in their several Circuits held in September last, and it appearing by the Return of the Justices of the Western Shore, that One Charles Murphy condemned by them at the Assizes held for Charles County had a very bad Character, and behaved very indecently at his Trial; It is therefore the Advice of this Board to his Excellency, that he be pleased to order a Dead Warrant to issue for executing the said Charles Murphy.

Ordered that Proclamations issue to dissolve this present General Assembly which stands prorogued to the third Tuesday in November next, and it is likewise Ordered that Writs of Election issue to call a new Assembly returnable to the last Tuesday in February next being the 28th Day of the same Month.
